A Message from our Executive Director

We had the pleasure of attending the 2024 Affiliate Conference: "We Build. We influence. Together." held in Atlanta, home of **Habitat for Humanity International**'s headquarters. More than 175 workshops and 400 experts were on hand to bring a focus to Habitat's advocacy, homeowner services, volunteer engagement, and more.

In addition, we were honored to receive the **Malachi 3:10 Award** for the lifetime tithing support that we have given to our global ministry. The name of the award comes from a Bible verse:

"Bring the whole tithe into the storehouse, that there may be food in my house. Test me in this," says the Lord Almighty, "and see if I will not throw open the floodgates of heaven and pour out so much blessing that you will not have room enough for it."
