AmeriCorps members' farewell

Volunteer Coordinator & AmeriCorps Host Site Manager **John Lanigan** (center) recently presented farewell gifts to our departing AmeriCorps members, **Ethan** (left) and **Nick**, during the Community Builders 2021 awards. Ethan and Nick successfully completed their service term with Habitat Susquehanna as AmeriCorps National Construction Crew Leaders. We thank them for their dedication and hard work building homes, communities and hope!

Wanted: Donations to our ReStore

Thinking of donating to the Aberdeen ReStore? It's as easy as 1-2-3!

1 - Contact us via telephone (443-567-7698) or email at

restore@habitatsusq.org to find out how our truck can come collect your "after yard sale" items. OR

2 - Come to our store (1013 Beards Hill Road, Aberdeen) and bring your items during designated donation drop-off hours. OR

3 - Go [online](#) and schedule a curbside pick-up of your items..

Repair Program: Hotel funds update

Thank you to everyone who recently helped us raise hotel funds for a Repair Program family! As you may recall, they were receiving our help to make their only bathroom handicap accessible (for their daughter with Parkinson's) but our grants would not cover their week-long hotel stay while work was being done. We received donations from many individual donors as well as the **West Nottingham Presbyterian Church** and can now pay for their hotel stay and meals! Thank you!

Be a HopeBuilder!

When you give to Habitat, your support changes lives every day! We have a goal to find 50 new **HopeBuilders** who will commit to donate just \$5 or more monthly by September 20th. Will you help?
