Habitat's vision is to create a community where everyone has an affordable and decent place to live. Homebuyers are required to contribute 250 hours of "sweat equity" to help build their home, save for a modest

down payment, and take a series of financial education classes. Habitat also runs a ReStore, which sells donated building supplies, home furnishings, and appliances to help fund Habitat's mission. Habitat for Humanity Susquehanna is a locally run affiliate of Habitat for Humanity International.
