## May is Women Build month!

This year marks our 5th annual Women Build fundraising competition and build! This month, our 10 Women Build teams will be volunteering at home builds in Havre de Grace. The homebuyers are all women as the head of the household, and they're all mothers. In April, these 10 teams were fundraising for the homes, and the top fundraising winner (for the second time in a row) was **Janney MACWIN (Mid-Atlantic Chapter of the Women's Interactive Network)**, raising more than \$4K! Overall, the teams raised almost \$32,000 in 30 days, so we congratulate, and thank all of the participants!

## Welcome home, Nicole!

We welcomed **Nicole** and her two daughters home in a dedication ceremony held at Farm Road, Aberdeen. This townhouse was generously given to Habitat Susquehanna by the **Canlas Family Trust** and rehabbed by Habitat volunteers.

The house was also part of the Faith in Unity Build 2021 where congregations came together to financially support and volunteer at the home. For a list of the house sponsors and contributors, see below.

Nicole is pictured doing the ceremonial ribbon cutting at the home she will be purchasing with a Habitat mortgage made affordable specifically for her. Check our [Facebook photo album](#) for more pictures.
