Wells Fargo Foundation: \$10K which will be used for building materials for 2 upcoming home builds at Erie Street, Havre de Grace.

Video Lottery Terminal: \$10K which will go towards helping low-income homeowners (who've applied and been approved for help from our Repair Program) with their critical home repairs.

Aberdeen ReStore seeks volunteers

Our volunteer Marta (pictured) helps us by organizing our year-round Christmas section. We are ALWAYS looking for volunteers to come help us in the ReStore Tuesdays through Saturdays. We have a constant flow of housewares being donated and it can be overwhelming. The work of our volunteers is crucial to keeping housewares, and other sections of the store, shoppable for customers. If you're interested in volunteering with us, email our

volunteer coordinator **Ashley Hall** at ahall@habitatsusq.org.

Welcome, AmeriCorps members

Three new AmeriCorps members are beginning their service term with Habitat Susquehanna: **Ben Marsh** (at far left) and **Nick Pomper**, AmeriCorps National Construction Crew Leaders; and, **Julia Haynes**, AmeriCorps National Repair Program Coordinator. We welcome and thank them for the vital role they'll serve in providing safe, decent and affordable homes in Harford and Cecil counties!
