

# The Habitat for Humanity Susquehanna Repair Program: Veterans' Eligibility Requirements

Habitat for Humanity Susquehanna is a participant in Habitat for Humanity International's *Repair Corps* program, an initiative funded by The Home Depot Foundation to help to help build, rehabilitate or repair the homes of U.S. military veterans and their families.

The Home Depot Foundation supports Habitat's Repair Corps program on projects ranging from new construction to home repair projects such as roofing, weatherproofing, installation of access ramps and kitchen or bathroom renovations for wheelchair access.

Qualified applicants that demonstrate the greatest need for a Habitat repair will be selected. Need is determined by a home assessment and financial/income eligibility. All repair projects are subject to availability of funds.
