

WOMEN BUILD

**MAY 30 TO
JUNE 27**

Women Building. Worlds Changing.

Women Build 2026 will help construct a duplex in Aberdeen, MD, building from the foundation up so two families can achieve the dream of homeownership.

Help turn these lots into homes

Energizing, team-based experience where you'll raise funds and volunteer at the home your team helped support

HOW IT WORKS:

- Teams are women-led, men and women can participate
- Each team gets a dedicated build day to volunteer together - no experience needed!
- Individual pages are created to make peer-to-peer fundraising easy by sharing on social media, text, or email

All team members get a Women Build t-shirt, swag bag, lunch and the satisfaction of knowing you are changing lives
