

## About Us

Since our inception, we have served more than 1,000 families through our Homeownership, Repair, and Financial Literacy programs.

The biggest misconception is that Habitat "gives" away homes. That could not be further from the truth. Our homeowners go through a rigorous approval process, contribute at least 250 hours of volunteer "sweat equity" and have to take a minimum of 5 financial classes...all for the opportunity to pay a mortgage. You can help give a "hand up" not a "hand out" by supporting this golf tournament and other events at Habitat.
